Makow- The Jewish Plot to Destroy Christian Civilization

July 7, 2024

(Left, Quote from World Jewish Congress Founder Nahum Goldman 1895-1982- Forgive me for posting this again but people these days have short attention spans and even shorter memories.)

This is the elephant in the room that no one, not even Conservatives, has the courage to address. (Stew Peters is an exception.)

We can't defend ourselves if we can't even name the enemy.

We face an occult force. Organized Jewry and its minion Freemasonry, are dedicated to destroying civilization.

The plandemic was inspired by the satanic doctrine of "Creative Destruction" found in Cabalist Judaism & Freemasonry. Add the migrant invasion, gender madness, and the gratuitous war in Ukraine, and it's clear that Organized Jewry (i.e. the Rothschilds/ WEF) is determined to destroy the West.

They require the destruction of the old order which was dedicated to fulfilling God's Will.

Then, the "Great Reset" will create a "New World Order" dedicated to serving Satan. Hell on Earth. Satanism. (https://www.henrymakow.com/2020/02/satanism-explained.html)

“The historical mission of our world revolution is to rearrange a new culture of humanity to replace the previous social system. This conversion and re-organization of global society requires two essential steps: firstly, the destruction of the old established order, secondly, design and imposition of the new order. The first stage requires elimination of all frontier borders, nationhood and culture, public policy ethical barriers and social definitions, only then can the destroyed old system elements be replaced by the imposed system elements of our new order. The first task of our world revolution is *Destruction*...."

~ Nahum Goldman, founder of World Jewish Congress, "The Spirit of Militarism" (1915)

It's time to stop parsing their lies and focus on the OCCULT nature of the challenge we face.

Humanity suffers from a debilitating cancer. Satanist Jews and Freemasons control our blood supply (the banking system.) They have leveraged their control over government credit to subvert every social institution: government, media, education, religion, medicine, law. Their <u>Communism is the control of every facet of human life.</u>

(https://www.henrymakow.com/what_is_communism.html)

Western goyim are helpless to resist since they have been brainwashed to eschew anything that can be termed "antisemitism." But Jews are also victims of this satanic megalomania.

Nahum Goldman quote continues.

"All social strata and social formations created by traditional society must be annihilated, individual men and women must be uprooted from their ancestral environment, torn out of their native milieus, no tradition of any type shall be permitted to remain as sacrosanct, traditional social norms must only be viewed as a disease to be eradicated, the ruling dictum of the new order is; nothing is good so everything must be criticized and abolished, everything that was, must be gone.

After destruction of the old order, construction of the new order is a larger and more difficult task. We will have torn out the old limbs from their ancient roots in deep layers, social norms will be lying disorganized and anarchic so they must be blocked against new cultural forms and social categories naturally re-emerging. **The general masses will have been first persuaded to join as equals in the first task of destroying their own traditional society and economic culture, but then the new order must be**

forcibly established through people again being divided and differentiated only in accordance with the new pyramidal hierarchical system of our imposed global monolithic new world order." END QUOTE

The German War: The Spirit of Militarism (in German) The above is the English translation of his work found at pg 37-38 of the original 1915 work

In *The*

Controversy of Zion*, Douglas Reed writes, "The *Protocols* [*of

***the Elders of Zion*] elevate the theory of destruction to this status of "a fundamental truth, a primary or basic law, a governing law of conduct'... In many passages, the *Protocols* appear, at first sight, to recommend destruction as a thing virtuous in itself, and consequently justifying all the methods explicitly recommended to promote it (bribery, blackmail, corruption, subversion, sedition, mob incitement, terror, and violence) which thus become virtuous too." (p. 211)**

J. Edgar Hoover, *The Elks Magazine (August 1956).*

Yet the individual is handicapped by coming face to face with a [Communist] conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst. It rejects even the assumption that human creatures could espouse a philosophy which must ultimately destroy all that is good and decent."

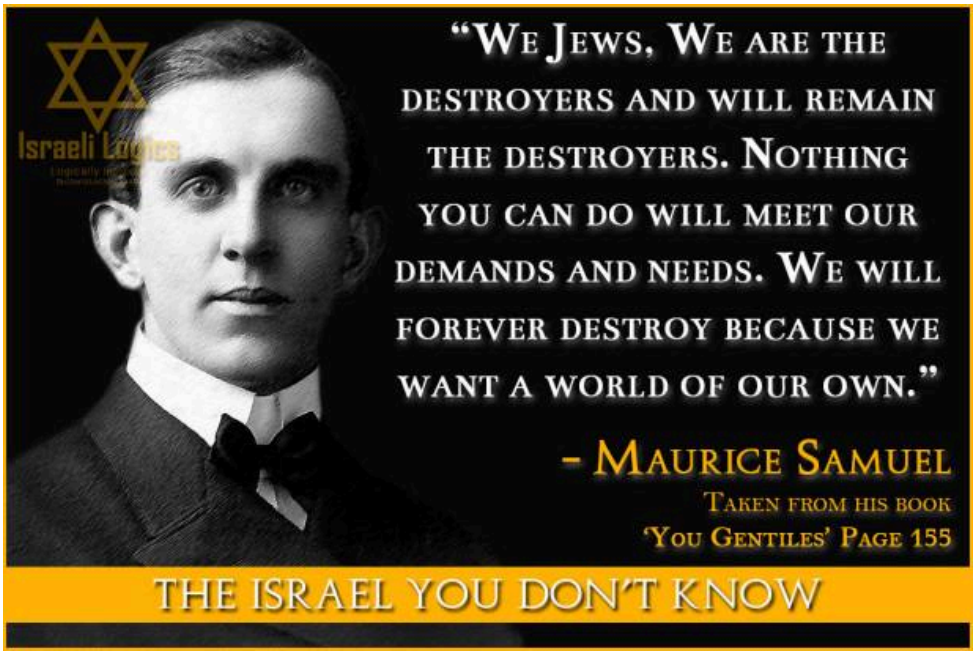
*(**Editor's Note**. I posted this in January but we need to understand the enemy's real occult nature. They smile and lie to your face while they stick a knife into you. They call decadence and death "progress." Snap out of it folks. We're dealing with Evil incarnate.* ***See the new First Comment below article.)***

"Creative Destruction" & Then, 6uild 6ack 6etter

by Henry Makow Ph.D

The Doctrine of "Creative Destruction" provides a key to understanding the gratuitous destruction wreaked by lock downs, mask orders, etc.

According to the Kabbalah, which is the defining doctrine of Judaism and Freemasonry, **"Evil and catastrophe [are] endemic factors in the process of creation. Without evil there could be no good, without destruction, creation could not take place."** *(Kabbalah: An Introduction to Jewish Mysticism,* by Byron L. Sherwin, p. 72.)



Cabalists believe the Old (Christian) Order must be ruthlessly destroyed before the New (Satanic) World Order, based on the Kabbalah, can be built.

Hence, the Illuminati motto: *"Order Out of Chaos."* Hence, the Communist Manifesto advocates the destruction of nation, religion, and family and the transfer of all private wealth to the Illuminati bankers, in the guise of the state.

The Doctrine of Creative Destruction explains why war and revolution have been characterized by gratuitous genocide, terror, and destruction.

It explains the banishment of God from public discourse and the widespread acceptance of obscenity, pornography, and the occult. It explains the attack on gender and the promotion of homosexuality to heterosexuals. It explains the spate of false-flag terror that is a hallmark of modern life.

THE ILLUMINATI

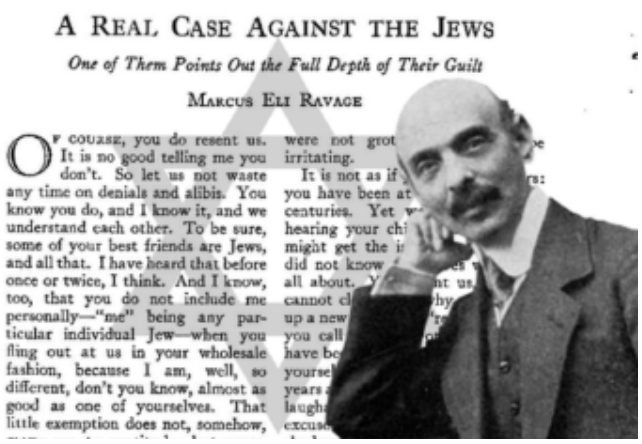
The present-day Illuminati grew out of the satanic "Sabbatean-

Frankist" (https://www.savethemales.ca/000947.html) Jewish heresy in the 17th and 18th centuries. The bankers and half the Jews of Europe adopted this pestilence and spread it to the Gentile elites through Freemasonry.

Thus, Illuminati Jews characterize the "Jewish" role in terms of the destruction of civilization.

For example, in the book *"You Gentiles"* (1924) Maurice Samuel (http://en.wikipedia.org/wiki/Maurice_Samuel) writes:

"In everything, we are destroyers--even in the instruments of destruction to which we turn for relief...We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we want a world of our own." (p. 155)



A REAL CASE AGAINST THE JEWS

One of Them Points Out the Full Depth of Their Guilt

MARCUS ELI RAVAGE

OF COURSE, you do resent us. It is no good telling me you don't. So let us not waste any time on denials and alibis. You know you do, and I know it, and we understand each other. To be sure, some of your best friends are Jews, and all that. I have heard that before once or twice, I think. And I know, too, that you do not include me personally—"me" being any particular individual Jew—when you fling out at us in your wholesale fashion, because I am, well, so different, don't you know, almost as good as one of yourselves. In 1928, Marcus Ravage,

(http://en.wikipedia.org/wiki/Marcus_Eli_Ravage) a Jewish Rothschild biographer wrote an essay entitled, *"The Real Case Against the Jews."*

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it."

(*THE CENTURY MAGAZINE*, JANUARY 1928, Vol. 115, No. 3, pp. 346-350.)

In *The Controversy of Zion*, Douglas Reed writes, "the *Protocols* [*of the Elders of Zion*] elevate the theory of destruction to this status of "a fundamental truth, a primary or basic law, a governing law of conduct'...In many passages the *Protocols* appear, at first sight, to recommend destruction as a thing virtuous in itself, and consequently justifying all the methods explicitly recommended to promote it (bribery, blackmail, corruption, subversion, sedition, mob incitement, terror, and violence) which thus become virtuous too." (p. 211)

Think ISIS, Antifa & BLM.

Most Jews (and liberals/leftists in general) are unaware of this Cabalistic plot. They have been duped by spurious appeals to ideals of "social justice" and "equality."

WHY THE KABBALAH IS SATANIC

Religio means "to go within" i.e. "to know and obey" God. In any true religion, God comprises absolute spiritual ideals -- love, truth, justice, goodness, beauty, harmony -- pure and unalloyed. God is nothing if not Moral - i.e. Good.

Evil is the *absence of God*, just as darkness is the absence of light.

(Kabbalists Trump and his dad)

The Kabbalah says God is unknowable and has no form. This is Satanism. You cannot obey God if you cannot know Him.

"To the Cabalist, God is an infinite Sea of Being (*En Sof*) without any limit; hence without any qualities, without desire or will of any kind. He is totally incomprehensible. " (Jacob Angus, *The Meaning of Jewish History* (1963) p. 286.

In fact, God is perfection, the form necessary for human evolution. *Be ye therefore perfect as your Father in heaven is perfect.* (Mathew 5-48)

True religion assumes God is present in the human soul. Obeying this voice, conscience is what makes us human.

Anyone who denies the existence of God is a Satanist, not an atheist.

The Cabala is satanic because it says *evil is part of God*: "God has two sides; [both] are essentially one thing; what we experience as evil is as Divine as what we experience as good."

Hence the expression gaining currency today: "It's all good."

The Cabalist exegesis continues

(http://www.learnkabbalah.com/evil_kabbalistic_views) :

"Many texts in the Kabbalah, including the Zohar, say that the task is not to destroy evil but to return it to its source -- to "include the left within the right," in the Zoharic metaphor, "to uplift the fallen sparks" in the Lurianic one. In Chabad Hasidism, it is stated that evil exists as part of the Divine revelation itself. Indeed, to think that evil really is separate from God is, itself, the essence of evil, which is precisely the illusion of separation."

"Letting go of the reality of separate evil, and really accepting that the *sitra achra* [impurity, occult, evil] is a side of Divinity, is easy on paper and very difficult in reality. ... Still, to the extent it is possible to do so, the notion is indeed life-changing. Everything is a flavor of Divinity."

Cabalists also believe in "redemption through sin" i.e. deliberately flaunting the Old Law by doing evil (adultery, incest, pedophilia.) The destruction of civilization (i.e. chaos) will provoke the return of the Messiah (the anti-Christ) who will rebuild the world according to Kabbalist specifications, with the Illuminati bankers playing God.

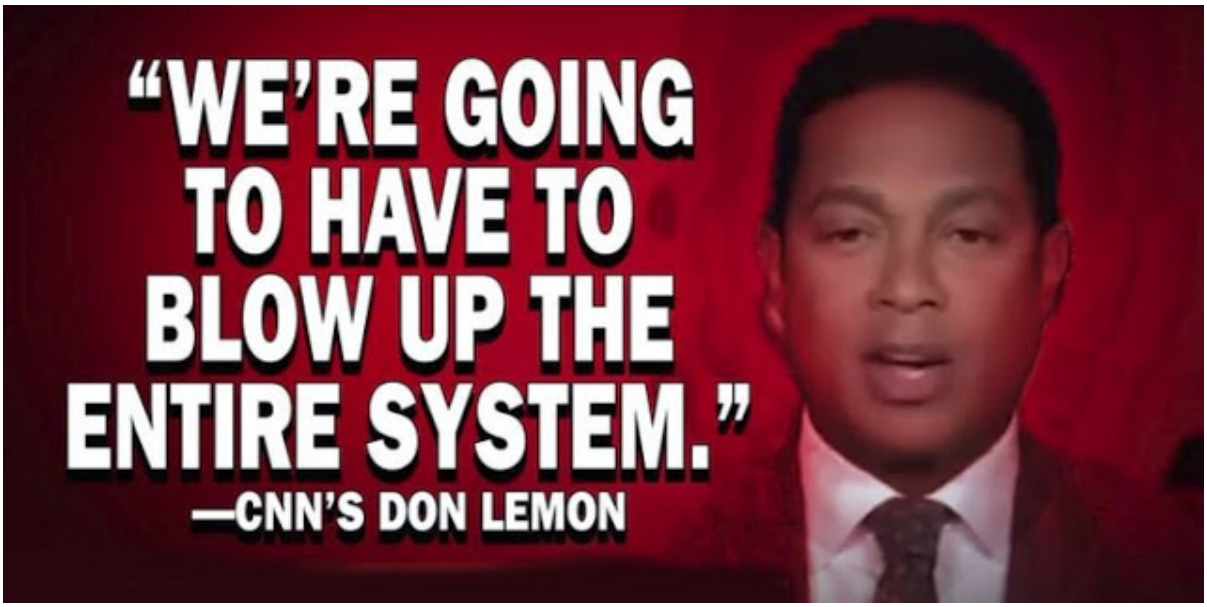
This is all Satanism. God is inherently good. In a true religion, you do not obey God by doing evil, or by pretending evil is part of God.

GASLIGHTING

The mass media is responsible for spreading this coronahoax. Therefore it is significant that in April a senior CBC reporter Don Pittis actually referenced this satanic dogma (https://www.cbc.ca/news/business/coronavirus-economic-change-1.5581084) : "COVID-19 may be the catalyst -- not the cause -- of a painful but useful economic transformation. Retailers go broke, property and oil fall but maybe the economic pain will speed beneficial changes."

"According to the theory of *creative destruction* derived by Austrian economist Joseph Schumpeter in 1942 *from ideas proposed by Karl*

Marx, economic and technological progress demands that businesses must die and industries and paradigms must be swept away to make room for new ones."



Karl Marx, the father of Communism, was a Cabalist and a Satanist. "Creative destruction" is the same satanist rationale they use for starting devastating wars. Clearly the hidden agenda behind the #scamdemic is social and economic change. Thanks to Satanists controlling the banking system, society is under relentless satanic attack (https://www.henrymakow.com/2020/05/Ten-Ways-We-Are-Enslaved.html) , and is satanically possessed.

"Creative Destruction" explains why humanity is cursed by never-ending catastrophes. These are engineered by the Illuminati to attack and destroy anything that smacks of the healthy divine order -- spiritual or natural. *They must destroy the old order before they can install their satanist tyranny. This behind the current #scamdemic. (Makow- Satanism Explained)*

(https://www.henrymakow.com/2020/02/satanism-explained.html)

People who are sympathetic to Satanism permeate our body politic like a cancer.

SATANICALLY POSSESSED

Call it illuminism, secularism, Luciferianism, humanism, paganism or the occult: It's all Kabbalah.

Modern Western civilization has no moral legitimacy (and no future) because it is based on a rebellion against God, who represents the path of our spiritual development.

Humanity has been hijacked by psychopaths intent on destroying the "old order" and building a bizarre, solipsistic, violent, depraved dystopia in its place.

These psychopaths control our government's credit and mass media. Thus, they are able to purchase our leaders and dupe society into embracing its own downfall.

Mike Yeadon, a prominent anti vaxxer wrote this to me.

"**I am finding though that almost no one will take this journey with me. I think I know why. It's unavoidably dark. When any attempt to discern a "why would they do this?", there are only frightening answers. "**

Yet when I sent him the article above, he replied.

"Personally, I see no religious aspects to what's happening & if there is, it's as likely to be sects of Christianity as Judaism. As a result I'm uninterested in the organized religion component. I'll leave it to others. "A man's gotta know his limitations". That said, I feel a spiritual component to this war."

The goyim have been degraded to the point that they are intellectually unable to cope with the crisis we face. Nor do they have the stomach to defend themselves. They have been brainwashed to fight for World Jewry.

Most people have no idea who the true enemy is. Satan is just an invented scapegoat. The real enemies of humanity are those who created it. The ones mistakenly referred to as "GOD", who made us as a slave class; Restricting us to a very narrow band to the spectrum of reality, in order to easily control and manipulate us with stupid, contradictory religions that only offer us false hope. In the meantime, the human slaves continue to be exploited during their short lives, willingly and innocently bringing a new generation of slaves to replace them in the farm, after which they are mercilessly eliminated like any other animal. Lather, rinse, repeat. That's the story of humankind. We're nothing but biological robots programned with the illusion of freedom. The world is nothing but an evil racket.

Charles Fort said it many decades ago :
"The earth is a farm. We are someone else's property.

I agree with him 1,000%!!!

JC said (January 18, 2024):

"We can't defend ourselves if we can't even name the enemy."

The problem is: The vast majority have no idea who our real enemies are. Our real enemies are our traditional enemies: the Roman Catholic Church and Talmudic Zionists. They both want to rule the world, and they both hate White Anglo-Saxon Protestants. And they have been allies since the Second Vatican Council. And they are also the greatest proponents of open borders and unlimited illegal immigration. We can't defend ourselves because we can't, or won't, name the enemy.

Obviously , central banks should be nationalized by a constitutional democratic republic as utilities that manage the public money supply and should not be privately owned de facto Rothschildean monopolies of public money as they are presently .

Fractional reserve lending per se is not the problem ; inadequate limitations on it is the problem .

The ten percent limitation on reserve capital for lending is the only limitation and it is fully adequate for assuring a huge transfer of wealth during an inevitable jew's financial harvest otherwise known as the historical
1929 "Great Depression" and
the current harvest is known as
the historical 2021 "Great Reset".

Unfortunately , adult catholics and protestants are both usually too politicly retarded and unable to collectively remediate the dire consequences of an inimical jew's financial harvest made possible by wholly inadequate regulation/limitation of fractional reserve lending .

Further elaboration is beyond the scope of this comment .

Christianity is built on Judaism and Christian religions are not helping in preventing the nonsense that is going on today. After my experience with Christianity, I wouldn't touch their teachings with a ten-foot pole. Christianity is Judaism for the goyim. Just look at the war between two Christian nations: Russia and Ukraine. It is absolutely disgusting. The Satanic influence is steeped in religion.
The only thing that will work is to have society follow the natural laws that the real God created. That would actually work for the benefit of mankind.

The fallacy of the title (and article) is "Christian". Corrected, it would read as follows:
"Makow- The Jewish Plot to Destroy Civilization"
Everyone's to be exterminated, possibly with the exception of 600.000 presumably "Sephardic Jews" but even that looks like it won't happen so that 600.000 artificially manufactured "creatures" or "entities" or whatever terminology would apply will inherit the world -- meaning that all of Homo Sapiens would be exterminated. Meaning, the Jewish people are also to be exterminated.

just read your comments about Mike Yeadon.

Unfortunately, he doesn't think like you. He thinks in unconnected disassociated segments. Not comprehensive at all.

You just happened to be gifted with the innate ability to think in terms of interconnected, integrative segments.

You have the innate ability to 'see the comprehensive big picture.' He doesn't and so do most of your readers.

It's a gift as well as a curse because the vast majority of people are not like you. And most people prefer to stay ignorant.

Why? I don't know. But, you don't, and never have, and never will.

Many years ago while in Minneapolis I met XXX, a medical doctor, senior vice-president of YYY, who has over 20 US patents, and author of the book Mind Shapes".

During our conversations, he turned to me at said "You are a why-guy", your personality type represents less than 2 percent of the people on earth.

He was the first person in my life who affirmed what I am. And I now know he was right.

So, Henry, your personality must be similar. It's just the way you were created and misunderstood.

It could be why I find you one of the few heroes in my life. You are rare.

As always, don't quit, never stop being who you are.

Courage and wisdom you have. Rare attributes to find in men these days.

Sometime ago you "woke up." Like me.

Years ago I read Douglas Reed's book, Controversies of Zion. I have also read all of Eustace Mullins' books.

I have met John Todd - 40 years ago. I knew Des Griffin and his wife years ago. Read all his books.

I have been in Hiroshima in 1966. Also, a long time ago, I was indoctrinated into DeMolay as a teenager and into freemasonry

as a young naive stupid adult, I own the freemasonry bible written by Albert Pike. I never practiced its religion or attend its meetings, but I know their god is Satan.

I also know most of the so-called Christian church denominations are controlled by the satanic Edomite Jews, I have done the research.

I have been to over 25 different ones.

You are 'spot on the money'. You are a rare man who sees the "big picture."

Don't ever quit. And watch your back. Be careful.

Understanding Jews, their Satanism and tribal Evil, just answers so much of our human history.
Known for more than the 20th Century, our "Modern world" really highlights what they have done.
The creation of the FED, the sinking of the Titanic, two wars against a powerful Germany, and much, much more leading up to today's Covid/"Vaccination" culling.

But, as they have made it, it's difficult to talk to anyone about "The Jews." You're suddenly a Nazi, and you can't talk about groups of people, as people once did; stereotypes hold true.
Luckily I have a National Socialist good friend and we can talk of our findings and history.
Thank you Henry.

One of your links yesterday on psychological warfare and electronics may explain how it is possible that the average person could be so dumb as to not see this. Creative destruction is a cosmic fact, but the Jews identify destruction as â€œEvilâ€☐ because the Jews do not know anything about the Universal Unifying Principle that creates, destroys, and re-creates everything. The Jews being totally dualistic and totally materialistic only see â€œEvilâ€☐ as something that the Jews can make a profit from. The word profits come from the word â€œProphetsâ€☐ that the Jews twisted into profits.
The Jews only embrace destruction as something that they can profit from, no better examples exists than the First Jewish World War of Annihilation against Germany from 1914, and the Second Jewish World War of Annihilation against Germany, Italy and Japan. The Jews used propaganda and deception against the Goyim to fabricate the claim in 1914 the the German Kaiser Wilhelm 11 wanted to;â€☐Conquer the World,â€☐ and the same in 1939 that Germany, Italy and Japan wanted to:Conquer the World. The Jews got the dumb Goyim to annihilate their fellow Goyim and destroy Europe and Japan which the Jews made mind-boggling profits from. The Jews got the dumb Goyim to pay for the Jewish wars of annihilation, and to pay for the reconstruction. The Jews who know nothing about the Universal Unifying Principle will ultimately destroy themselves (for a profit) in a world of their own. The Jewish Hoaxaronavirus is a profit-motivated agenda against the dumb Goyim.

Again this is just another case of "trial by the MSM" with an invented script that carries no hard evidence. Putin had to be villainized and fast before America could give the legitimate process of any impartial legitimate investigations into this alleged incident.

It has worked like a charm so far with the premature ordered explosions of Russians diplomats from Washington.

Another problem for President Trump that involved another foreign "ally" was Israel.

With the recent announcement of a troop withdrawal from Syria over a week, ago made by Trump did not sit well with Netanyahu and Israel. They were about to lose their war horse in Syria and something had to be done and fast to keep American troops in Syria. Assad did not want to keep American troops in Syria and neither did Russia but Israel did.

The timing of this latest false flag claim against Assad is not surprising at all. Again, this is another case of a rush to judgment and trial by an irresponsible and unaccountable MSM to achieve a foreign objective with America holding the ball.

It's America's allies that are getting America in trouble these days and not their alleged enimies.

I gave up the stupid TV over 5 years ago when I could no longer stand the nonsense from the shows and the newscasters.

Your article today filled in a lot of holes that interfered with my ability to maintain Common Sense, Common Decency, etc. I was 51 years old before I actually got a Bible. However, the source was the wrong one forcing me down the wrong lane for quite a while before I â€œwoke upâ€□ and found a better, more reliable way to deal with the world.

Then, of course, I had more light & dark crashes due to other people who didnâ€™t seem to care when I had questions they didnâ€™t want to deal with. It was still later before I found out that they regarded me as â€œpolitically incorrect.â€□ Little did I know that I was being enslaved and the brainwashing was not doing its job for THEM.

Today, I am still navigating, but the article has filled a lot of those holes and my ability to â€œsee straightâ€□ will be improved.

Henry, I think you are absolutely right when you write, "Anyone who denies the existence of God is a Satanist, not an atheist." When you deny God exists, you also deny God's "absolute spiritual ideals -- love, truth, justice, goodness, beauty, harmony -- pure and unalloyed."

This is common these days though, the world is full of these nihilistic God-haters.

I've recently done a few jobs for private customers who were obvious atheists. Sometimes its as easy as observing the complete lack of fire in their eyes to determine their religious beliefs (science and ego worship), and hearing them speak to determine their political views (emasculated/ snobby = leftist).
Yet, what is disturbing is that there is a common theme in their homes that I am finding - which is a mockery of God. I keep finding bobble-head Jesus's, sock puppet Jesus's, etc.
And in typical leftist fashion, the snotty Charles Dawkin's-like anti-religion books are not far away, maybe coupled with a few psychology books (because all these people are sick, maybe they try to heal themselves with endless psychology reading).
If this isn't Satanic I don't know what is. This isn't a disbelief in God, this is a cowardly rebellion against God. Out of all the things to mock, 'atheists' choose Jesus? The Son of God who died to show He loved us? What sad degenerates.

Also, they mock the One who is loved intimately and dearly by many devout people all over the world in a way which words cant describe, and they do it with a smugness and self-righteousness that lacks any scruple.
People have literally lost their souls.

If today's thoughts by you (and others) are correct, then we need a guide to tell us what IS the right. Where is this guide?
I see no specific pointer to the right way. Is there a church, or other teaching body, which provides it? If we are to avoid the evil,
where do we find the teaching on what is good? People need more than being told Kabala and masonry and what they represent are evil.

They need the right way pointed out.

Henry you have surpassed yourself with this post.

Touching on so many notable themes you have successfully described the quandary of consciousness and man.

Those who contend they are doing the world a favor by promoting war and chaos have missed the boat in many ways and are a long way from realizing their folly.

In my own studies, I have discovered that the Kabbalah originated with Cain and his posterity. Cain was the first human murderer who murdered his brother because he was more righteous than him. Cain built a city and named it after his son Enoch. This means that he was the first mason. Enoch means to initiate, so Cain originated the doctrine of freemasonry into which one has to be "initiated." The book of Jude laments, Woe unto them! for they have gone the way of Cain. His posterity, Tubal Cain was an artificer of things in brass

and iron, implements of war. The Freemasonry dictionaries reveal that Tubal Cain became the Roman god Vulcan who was in a trinitarian relationship with Jupiter, and Hesus.

n the context of your article, the ending lines of Karl Marx's drama "Oulanem" acquire special significance:

If there is something which devours,
I'll leap within it, though I bring the world to ruins--
The world which bulks between me and the abyss
I will smash to pieces my enduring curses.
I'll throw my arms around its harsh reality,
Embracing me, the world will dumbly pass away,
And then sink down to utter nothingness,
Perished, with no existence - that would be really living.

Also, in his poem "The Pale Maiden" Marx wrote:

Thus heaven I've forfeited,
I know it full well.
My soul, once true to God,
Is chosen for hell.

People idly wait for this to happen because they are nothing but cattle and replaceable, but they are the only ones that can stop it, but they live in an imaginary world, where war doesn't exist and all that matters is celebrities and products, and when the day comes hundreds of millions will die for nothing because we no longer have the instinct to live.

You have struck a bullâ€™s eye Henry, on the nature of the enemy. A spiritual enemy must be battled with spiritual weapons.

(from the 4000 page dictation of Heaven to Maria Valtorta in The Poem of the Man-God, translated from the Italian)

JESUS CHRIST: Listen my brothers; nothing happens unless God permits it. Also tyranny; a misfortune without equal for a people. But if that people should examine itself in all fairness, almost always they should say that they brought on such a misfortune by their way of living, contrary to God. Remember the Prophets. How many times have they spoken about that! How often have they shown with past, present, and future events that a ruler is a punishment, the lash of chastisement on the back of an ungrateful son. And how many times have they taught how to avoid it: by going back to the Lord. Neither rebellion nor war cure wounds nor tears; neither do they undo chains. To live as a just people does all that. Then God intervenes. What can arms and armies do against the splendor of angelic cohorts fighting for a good people? Have we been struck? Let us deserve to be no longer so by living as children of God. Do not double your chains by committing new sins.

Ted said (April 25, 2011):

I can't agree with the idea that God is only "good". In fact, I don't think anyone can truly define God. Nevertheless, it even states in the Bible that there is nothing that isn't God. Everything is a creation of God, and God eternally manifests His creation.
The world is a creation of dualities. We don't have to be told by any holy scripture that this is so because it is self evident. There has to be both light and shadow to create contrast.
How is anyone supposed to know what good is without knowing the opposite? In order to make a choice, or a value judgment, there has to be a differential. The essence of creation is that differential.
We would be unable to grow spiritually without the hard work of changing for the better. Evil is here so we have that choice.
Our free will allows us to chose whichever path we desire. By choosing the easier path of evil we inevitably experience misery. When we become disillusioned with evil, we turn back to the harder path of good.

Misery is the whip to remembrance. How many of us would turn to God if our lives were fulfilled by greed, malice and material wealth? God will not force us to choose Him; we need to make that choice willingly. Even then we have to work hard to find Him.

Dick said (April 25, 2011):

This was a very interesting and thought-provoking article. I think you hit the nail on the head by saying evil is the "absence of God" rather than some countervailing force.

This distinction goes back a long way. The Zohar is only from the 14th century, when Greek (ie Pythagorean / Platonic) philosophy had
experienced a resurgence. However, from what I can discover, Pythagoras and Plato (contrary to David Livingstone's thesis) saw things in pretty much the same way as you. Their ideas were misused
â€“ in their own time by the gnostics, and later by the kabbalists.

(I suppose this goes even further back, but you get the idea).

There's a pretty good wikipedia article on neoplatonism and gnosticism, which (especially the sections on Plotinus' commentary)
offers some good direction on how such a philosophical schism can come about:
http://en.wikipedia.org/wiki/Neoplatonism_and_Gnosticism
(http://en.wikipedia.org/wiki/Neoplatonism_and_Gnosticism)

Pythagoras and Plato deal extensively with the problem of evil: if God is good, why does evil exist? Their basic conclusion, which is
fully fleshed out by later philosophers like Liebniz, is that while all things are not good, all things work toward the good. For
example, children starving is not good, but it is an invitation to practice charity, which is a test of our will, and introduces
positive good into the world.

The gnostics and kabbalists then say â€“ well, if evil exists as an invitation for good, then extreme evil will create extreme good â€“
so if you want a messiah, drop a nuclear weapon. They see the world, rather than a place that can and should be improved through application of reason and free will â€“ as a prison that can only be escaped through intensifying death-and-rebirth rituals.

As you suggest in your various articles about cultural subversion, a person could only come to such an insane conclusion if they feel
abandoned (or abused) by God. Without the unconditional love of a proper family, and without healthy spiritual and philosophical
guidance, virtue and self-sacrifice can feel meaningless and unrewarded.

It's not easy to live in this world. Even Christ on the cross thought he had been forsaken by God. It's important to see the role bad philosophy, not just bad people, makes the world worse. (If
you've killed hundreds of millions of people, and your messiah hasn't shown up yet, do you think you might be on the wrong track?)

It's also important to see how good philosophy can help make each person and the world better, and how we all need a bit of philosophy to summon the strength and will to do what's right

rather than what's profitable.

So well said- re 'absence of light' etc. and that one cannot serve God while giving up one's conscience.

This Levi converted' to Islam for personal benefit, and still dominates these banker cabalists circles in Europe...?

There are many kabbalahs as there are many spellings of the word; the Abes Kids website by Daniel Feldman being one, which uses the structure of the cabala tree to make the case for cross-religious analysis, re universalism. One could differentiate between the cabalism of Alestair Crowley from the cabalism of Daniel Feldman, for example. Daniel stresses meditation; Crowely stresses Crowley and went mad.

Christ was a reformer of Judaism as Buddha was a reformer of Hinduism, and their messages strike essentially similar, and so too Confucius, as a reformer of the prior Chinese religio-political culture, has essentially the same message , with all three centred around the 'golden rule' which is that spark from God that allows us to see ourselves in others and so experience empathy, altruism, etc.

The knot of psychopaths you describe find justifications in a certain kind of cabala, and it is the dichotomy between the Pharisees and Christ all over again, and then there are always to be found the Zealots as useful idiots.

As you say, 'religion' comes from a moral connection with one God, but sadly, theocratic structures in the name of religion often become instruments for power seeking and hence evil, the ego-luciferian rebellion against the golden rule of our one God.

And so, for example, there is the scandal of Madonna's cabala group run by Berg I believe, but of course one cannot know what all goes on in any group from the outside.

The ego temptations are always the same in any 'established religion' or even a small religious commune, as the '60's showed, but when you mix these 'human all too human' temptations with power backed by trillions in assets and the ability to print money and sell the paper to governments who then fleece the value out of the herd of taxpayers... well then, re the dictum 'power corrups', this degree of power leads to levels of psychopathic corruption difficult for ordinary people to imagine. And yes, they organize around free masonry and a generally discredited version of cabala.

This form of cabala provides them with a cohesion they would not otherwise have.

Dan said (April 25, 2011):

Once one understands that Kabbalah is quite simply the belief that one becomes powerful as a god by doing evil, one sees that modern society is saturated with cabalistic thinking, cabalistic 'ethics'. This Abraxian way of thinking permeates everything. We here it laced throughout everything from political speeches to popular music.

Below is the intro spoken monologue of 'Lady Gaga' which precedes her recent heavily promoted, 'Born this way'. video.

----quote----

"This is the manifesto of Mother Monster: On G.O.A.T, a Government Owned Alien Territory in spaceâ€¦

â€¦a birth of magnificent and magical proportions took place. But the birth was not finite. It was infinite.

The birth of a new race, new world, new thinkers, itâ€™s the birth of a new system of belief that cannot die, nor has an end. It is forever.

And thus began the beginning of the new race, a race within the race of humanity, a race which bares no prejudice, no judgment but boundless freedom.

But on that same day, as the eternal mother hovered in the Multiverse, another more terrifying birth took place, the birth of evil.
And as she herself split into two. Rotating in agony between two ultimate forces, the pendulum of choice began its dance. It seems easy you imagine to gravitate instantly and unwaveringly towards good. But she wondered: â€œHow can I protect something so perfect without evil?â€□
